

Thank you for considering Ski Ward's ZERO-G FreeSki and Snowboard Team!

The ZERO-G FreeSki and Snowboard Team at Ski Ward provides children and teens ages 8 to 18 with specialized training focusing skill development in Giant Slalom/Slalom (Snowboard Only), Boardercross/Skiercross and Slope Style (skiers and snowboarders).

Team members may compete in USASA (United States of America Snowboard Association) sanctioned local, state or regional events (additional costs and memberships). Athletes also have the opportunity to qualify for National level competitions. Applicants must be intermediate or above and able to ride all Ski Ward terrain independently and must own their own equipment. All new applicants will be evaluated for program placement.

Event Descriptions:

GS/SL: Timed racing around snowboard specific gates. Fastest time wins.

Boarder/Skiercross: A ski and snowboard competition featuring 4 riders or skiers on a gated "obstacle course" featuring a start gate, rollers, bank turns and jumps. Riders start simultaneously at the top of the course and race to the finish. Top 2 race again and in the finals the fastest person down the course wins! Think racing your friends down the hill. Fastest one gets shotgun for the ride home!

Slope Style: A ski and snowboard competition where riders go through a course of jumps, boxes and rails and attempt their best tricks. Runs are judged and scores awarded based on execution of tricks and trick difficulty.

Ski Ward will offer specialized training for all three of the exciting events. Pick one or all three and come train to be the best!!
